

TO WHOM IT MAY CONCERN

Lisbon, 27th November 2020

Dear Sirs,

For the necessary purposes, we want to inform you that our partner Motorsport Viana Clube is organizing, with our approval, on 2020 December 8th to 13th, at the Kartódromo Internacional do Algarve, in Portimão, Portugal the ROTAX MAX CHALLENGE INTERNATIONAL TROPHY, an event registered in the CIK-FIA of the FÉDÉRATION INTERNATIONALE DE L'AUTOMOBILE (FIA) and as such receiving drivers of different nationalities.

The International Karting Track of the Algarve recently hosted the World Karting Championship on the 8th of November and on the 29th will host the International lame Games.

The events organized within the scope of our Federation are subject to a Competition Contingency Plan approved by Portuguese Authorities.

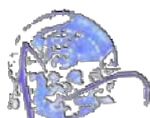

On the other hand, this event, under article 30 of Decree-Law 9/2020 (attached) states that physical and sporting activity of federated athletes in training and in competitive activities are equated with professional activities.

We kindly ask for your comprehension since it's very important these drivers can participate in this event.

This is the final race of the Trophy and completely essential for their final standings and even for their sporting future.

Many thanks in advance.

Best regards,

Fernando Manuel Neiva Machado Amorim

President
