Porsche Motorsport & Rotax Racing

– two brands one concept

You are convinced of the RMC concept?

You will love Porsche One-Make Racing!

We share the same values:

- **Safety** - our cars and race organisations not only comply with the highest safety standards, but we always go ahead, improve and define them new.
- **Fair competition** - equal cars as well as regulations and processes, developed and proven in more than 30 years of racing, ensure it is not the equipment but the driver who makes the difference.
- **Reliability** - international Porsche standards guarantee that you get what you expect.

- **Worldwide equal opportunities to enter and climb the Porsche Motorsport pyramid** - through our global presence and standardized racing platforms.
- **Cost control** - transparent cost structures enable solid planning.
- **Professional marketing & communication** - the iconic Porsche brand image as basis for successful partner- and sponsoring- concepts.
- **Talent development and global networking** - offer unforeseen opportunities to make cars and racing your profession.
